

You bear a great responsibility. That includes a responsibility to your constituents to vote informed. Have you heard both sides of the Convention of the States issue? You should know:

- Courts have repeatedly held that ***state legislatures cannot limit the power of the convention!***
- Congress has claimed tremendous power over an Article V convention, and the courts have backed them!
- The “Convention of States” convention has ***ALREADY begun to exceed their limits of power!***

And there’s more! Come hear **Robert Brown**, Constitutional Scholar, lay out and dismantle the arguments for an Article V Convention. Learn about the dangers and disadvantages of a Convention and what solutions are currently working to rein in our out-of-control government.
